

Dyson - Feature #176

Port nss-mdns

2014-06-09 07:53 PM - Justin Maggard

Status:	New	Start date:	2014-06-09
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
I realize that Illumos has its own mDNS NSS module, but the libnss-mdns package (source nss-mdns) is more configurable and can use Avahi's cache, so I believe it's still useful.
